

Enhance Your Firm Listing

in the 2010 DBA Pictorial Legal Directory

The 2010 DBA Pictorial Legal Directory is the most comprehensive local legal reference and once again you have the opportunity to make your Firm Listing even more meaningful by ENHANCING your listing by adding your firm's profile and attorney/staff roster. You can provide directory readers with specifics regarding your firm's areas of expertise and staff at a fraction of the cost of a mere telephone book listing!

For only \$30 per year, you may choose to note your areas of practice or submit a firm profile of up to 50 words. Your firm profile is an excellent place to highlight your firm's web presence by including your URL. Fields of law appearing in your firm's listing should indicate area(s) of practice to which the most significant portion of your professional time is devoted. Firms with out-of-town offices may list those offices for an additional \$30.00 per listing. All listings will be of uniform size and boldness. You may choose to list individual firm members and associates for an additional \$5.00 per name, *in any order you specify*.

For only \$30 per year, your firm name, address, telephone number, fax number, web site address **AND areas of practice or firm profile** will be listed in this section. Individual firm members and associates may also be listed for an additional \$5.00 per name, *in any order you specify*.
