

ENHANCE YOUR FIRM LISTING

in the 2017 DBA Pictorial Legal Directory

The 2017 DBA Directory is the Miami Valley's most comprehensive local legal resource guide and you have the opportunity to make your Firm Listing even more meaningful by **ENHANCING** the listing!

- ✓ Adding your firm's profile and attorney/staff roster, providing directory readers with specifics regarding your firm's areas of expertise and staff - *at a fraction of the cost of a mere telephone book listing!*
- ✓ For only \$30 per year, you may submit a firm profile describing your area of practice - of up to 50 words.
- ✓ Your firm profile is an excellent place to highlight the firm's web presence by including your URL, areas of law practice, out-of-town offices (additional \$30 per listing) as well as listing individual firm members and associates (additional \$5 per name, in any order you specify).
- ✓ If you choose not to respond to this opportunity, your firm name, address, phone and fax number **ONLY** be listed.
- ✓ This format has proven to be very successful for firms listed in bar directories all across Ohio and has been well received by firms here in the Miami Valley.
- ✓ For your convenience, below are sample listings and **ENHANCED LAW FIRM** Listing form is on the back of this page.
