

ALTERNATE SOLUTIONS

Health Network

Building Partnerships, Transforming Care

Alternate Solutions Health Network was founded in 1999 by David and Tessie Gantzarto. We collaborate with health systems in joint venture partnerships to create a post-acute care solution, delivering efficient centralized operations and utilizing a best-in-class software platform. Our company has been dedicated, since the very beginning, to transforming the quality of care for both our partners and our patients.

Do you want to be part of our rapidly growing company? Do you have healthcare legal counsel experience? If you answered yes, then you may be our ideal candidate! Here, you'll function as an in-house counsel for legal matters and a trusted resource for regulatory matters, contract reviews, compliance filings, and more!
